ABLE accounts are saving/investment accounts for people who are disabled/Deaf before age 26. This age is increasing to 46 soon. ABLE accounts provide the opportunity to **save money** and **keep needed benefits**.

Join the Idaho State Independent Living Council to learn about this program, how it can benefit people with disabilities and the **future of an ABLE program in Idaho**.

All locations are accessible.

To request disability accommodations or language interpretation (Spanish, etc.) contact the SILC at least 10 days in advance.
