

Extended Employment Services (EES) Listening Session: Web-Ex, Craigmont

Idaho Legislature passed a new statute for the EES Program, effective July 1, 2020. The EES program wants to hear from you. Based on the statute, what does the EES program need to do the same? What does the program need to do differently? This is your opportunity to provide the EES program input about what you believe the statute tells us to do. These listening sessions will help prepare the program for the negotiated rulemaking process.

Please join IDVR/EES to review and discuss the new statute.

This is your opportunity to make your voice heard.
